inner talks

EGO

esosa, 2026

you scare me

you took
more control
than you
should have

i caged you.

i forced
you to walk
on eggshells

i'll get out

what
are
we?

are
we?

the
same
thing

- it's all
going to
shit, ain't
it?

is there
something
worth
saving?

- no.

i've been silenced so many times

but you've gotta TALK.

SPEAK LOUDER!!!

what the fuck are

you looking at?
