

I've always felt like a
fish out of water

I always feel like a
fish out of water

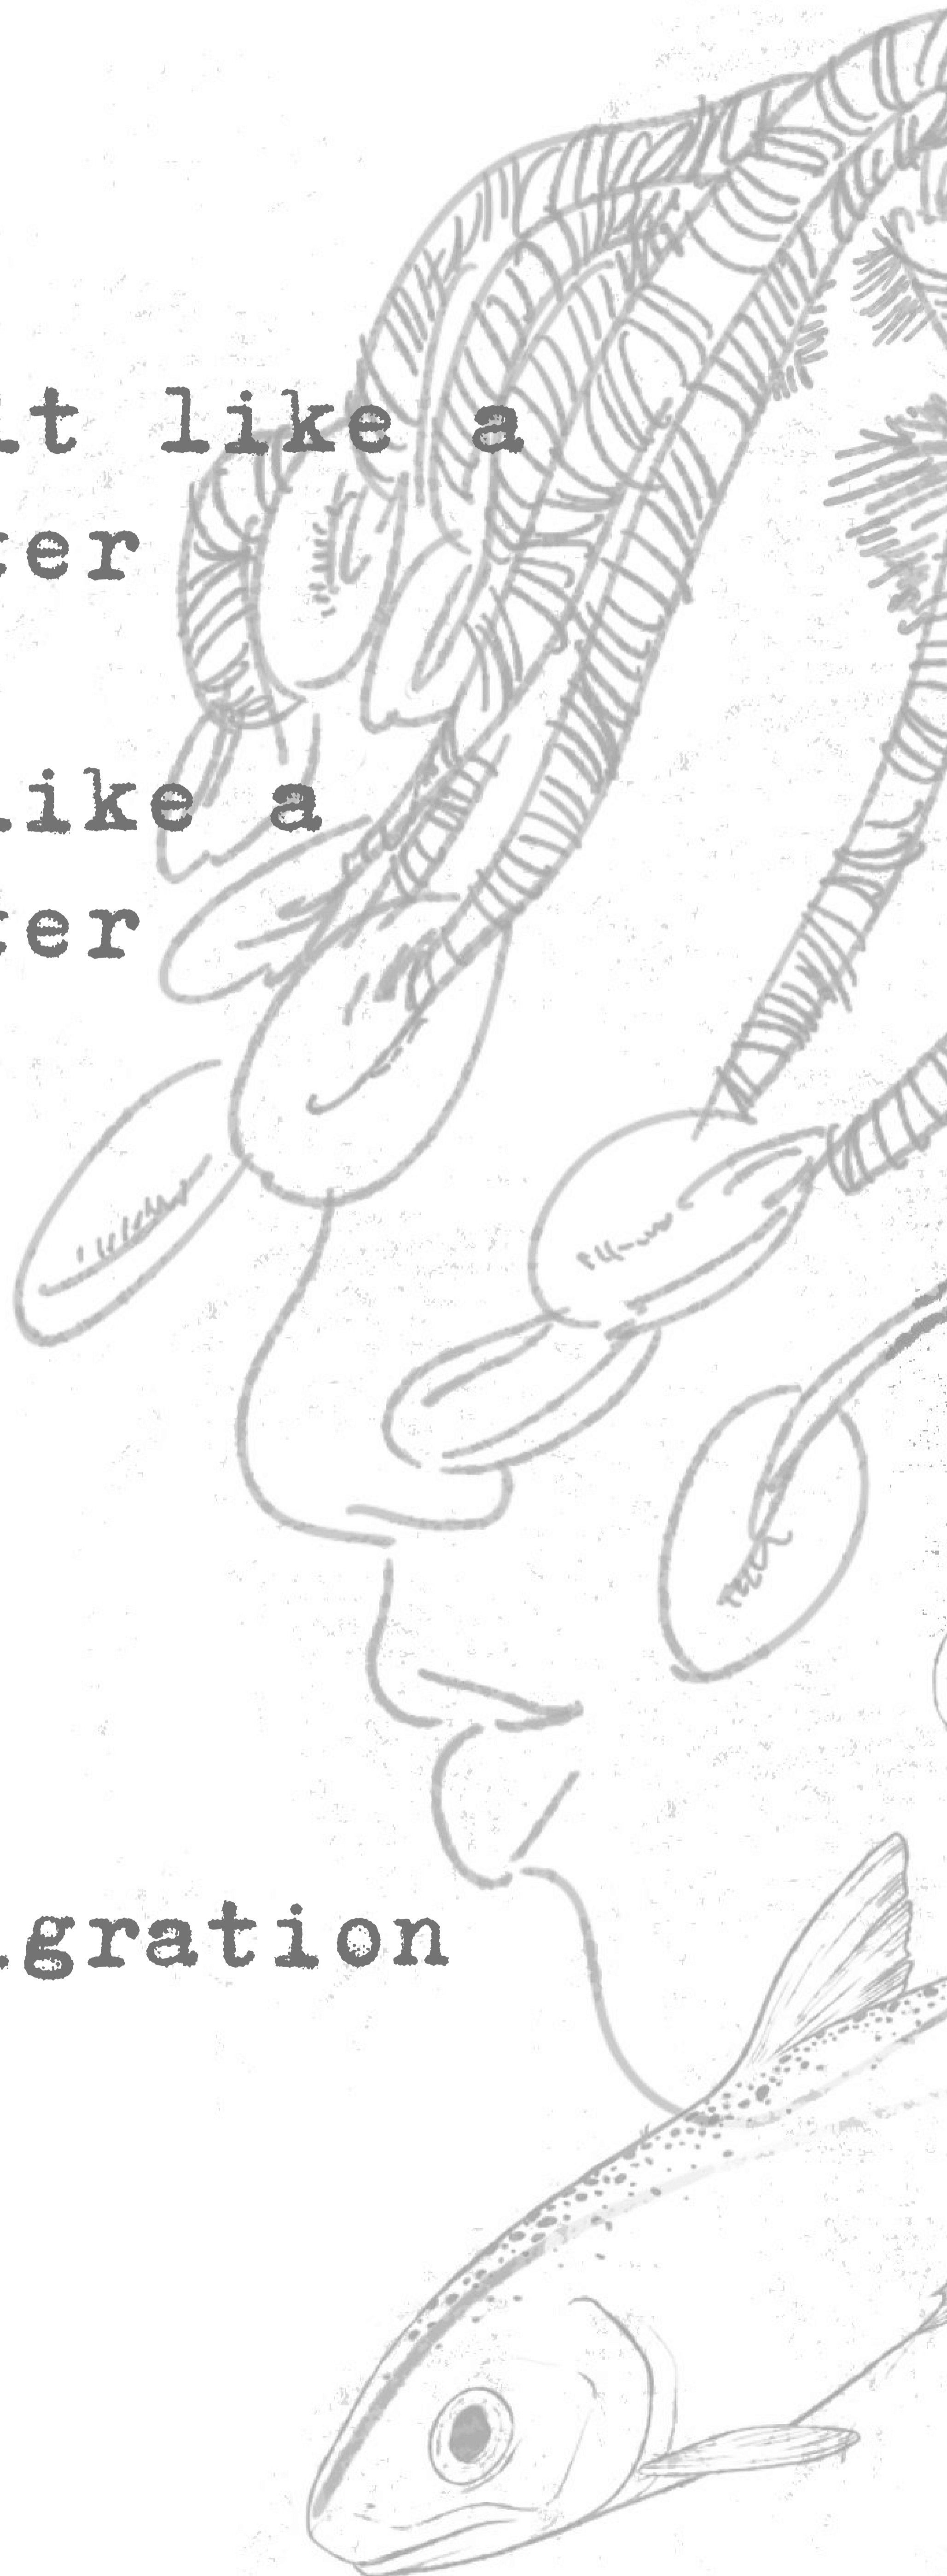

...

this migration

...

this endless migration

...

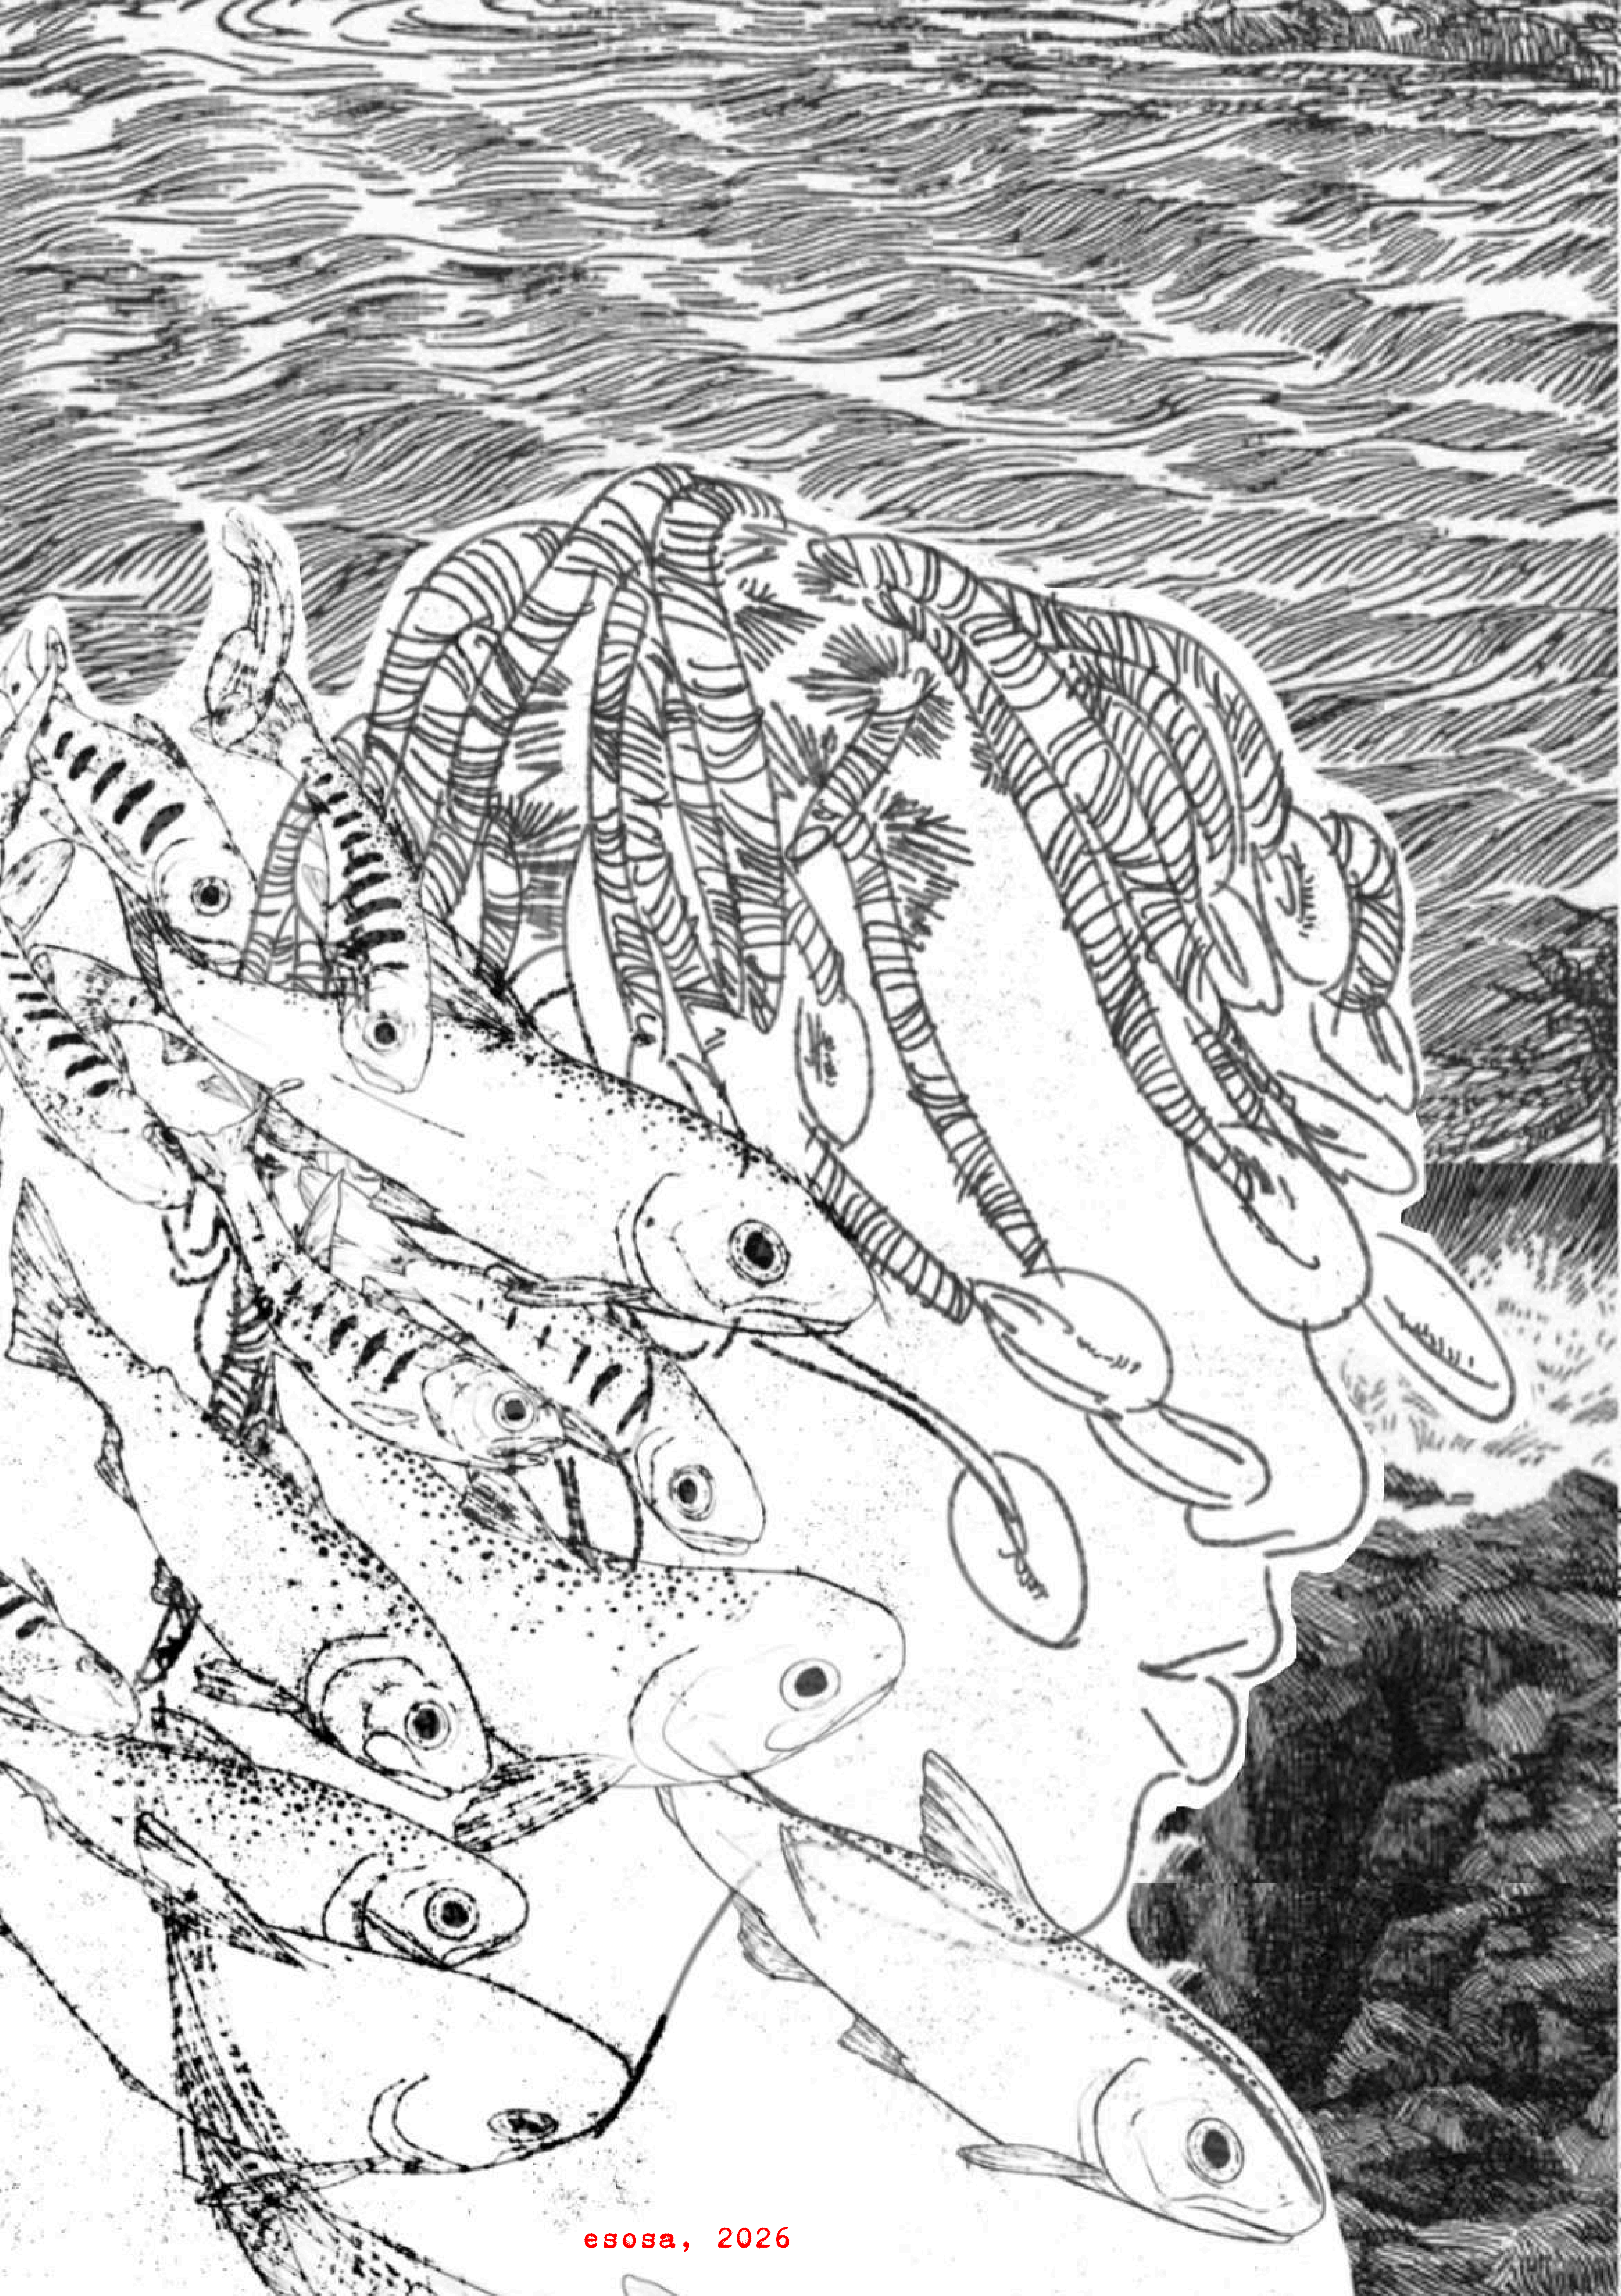

swimming frantically;

with no notion of our
beginning and our end;

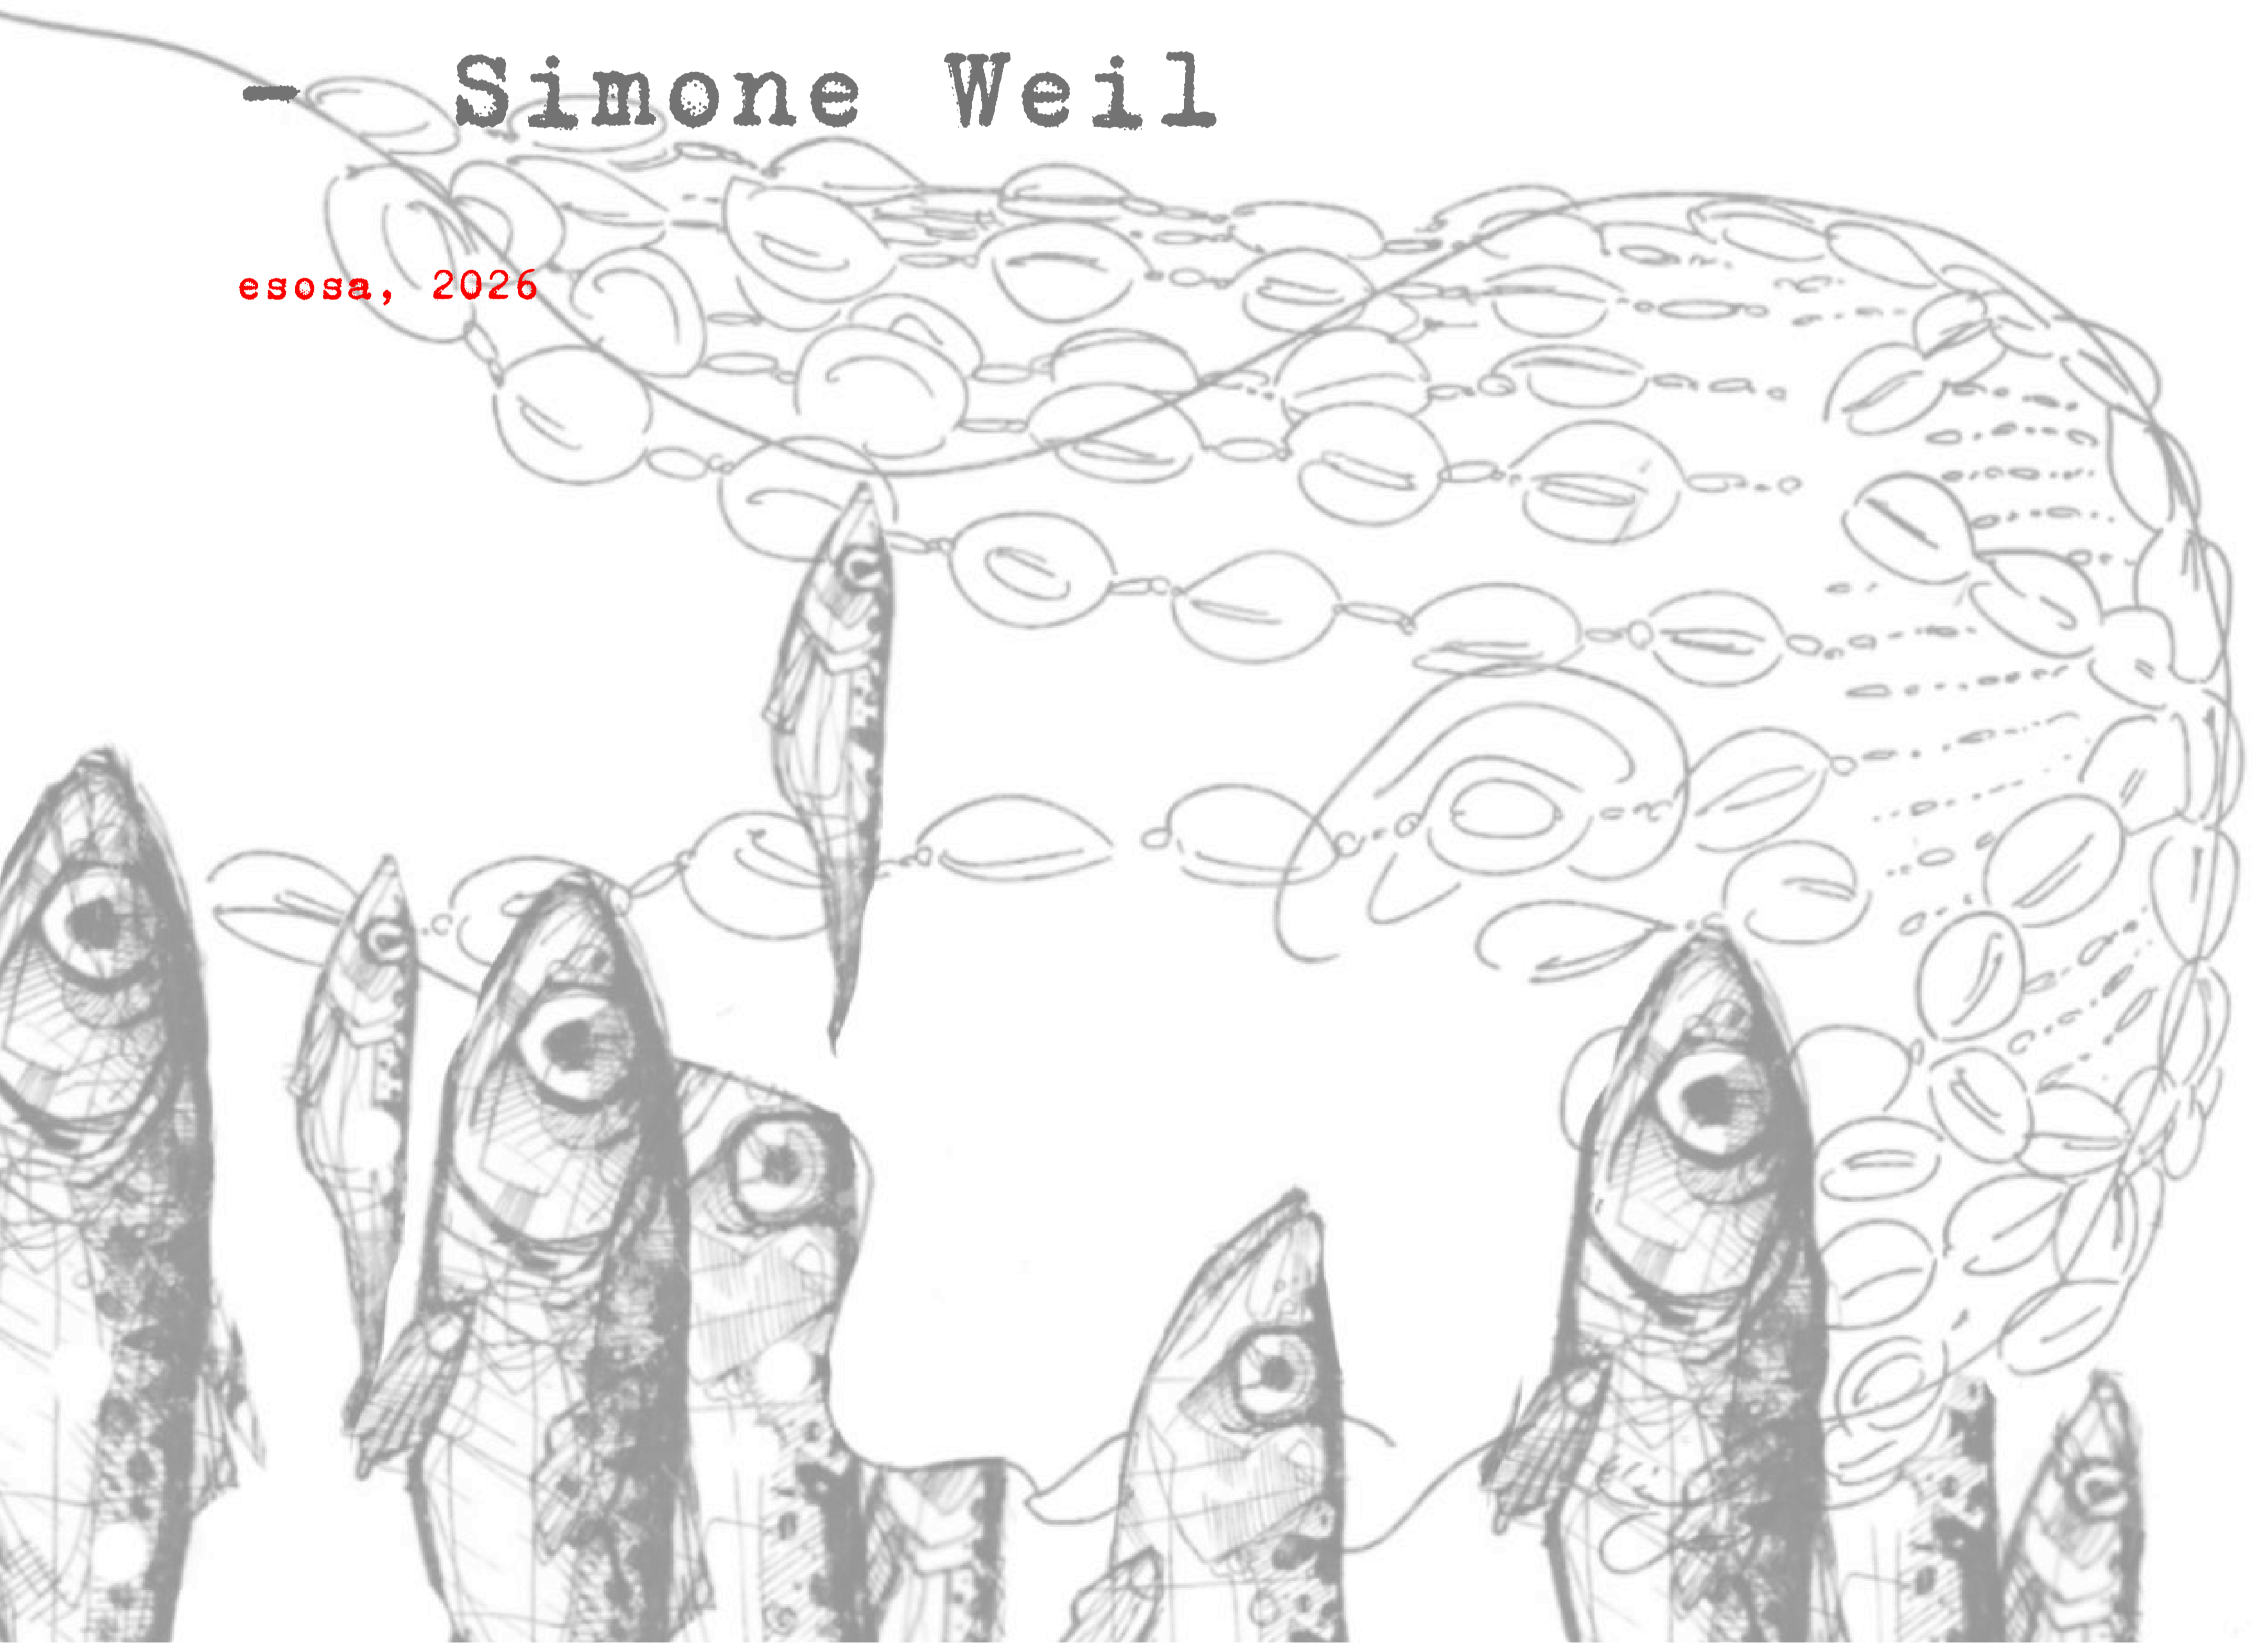

with no peace,
with no care,
for no reason . . .

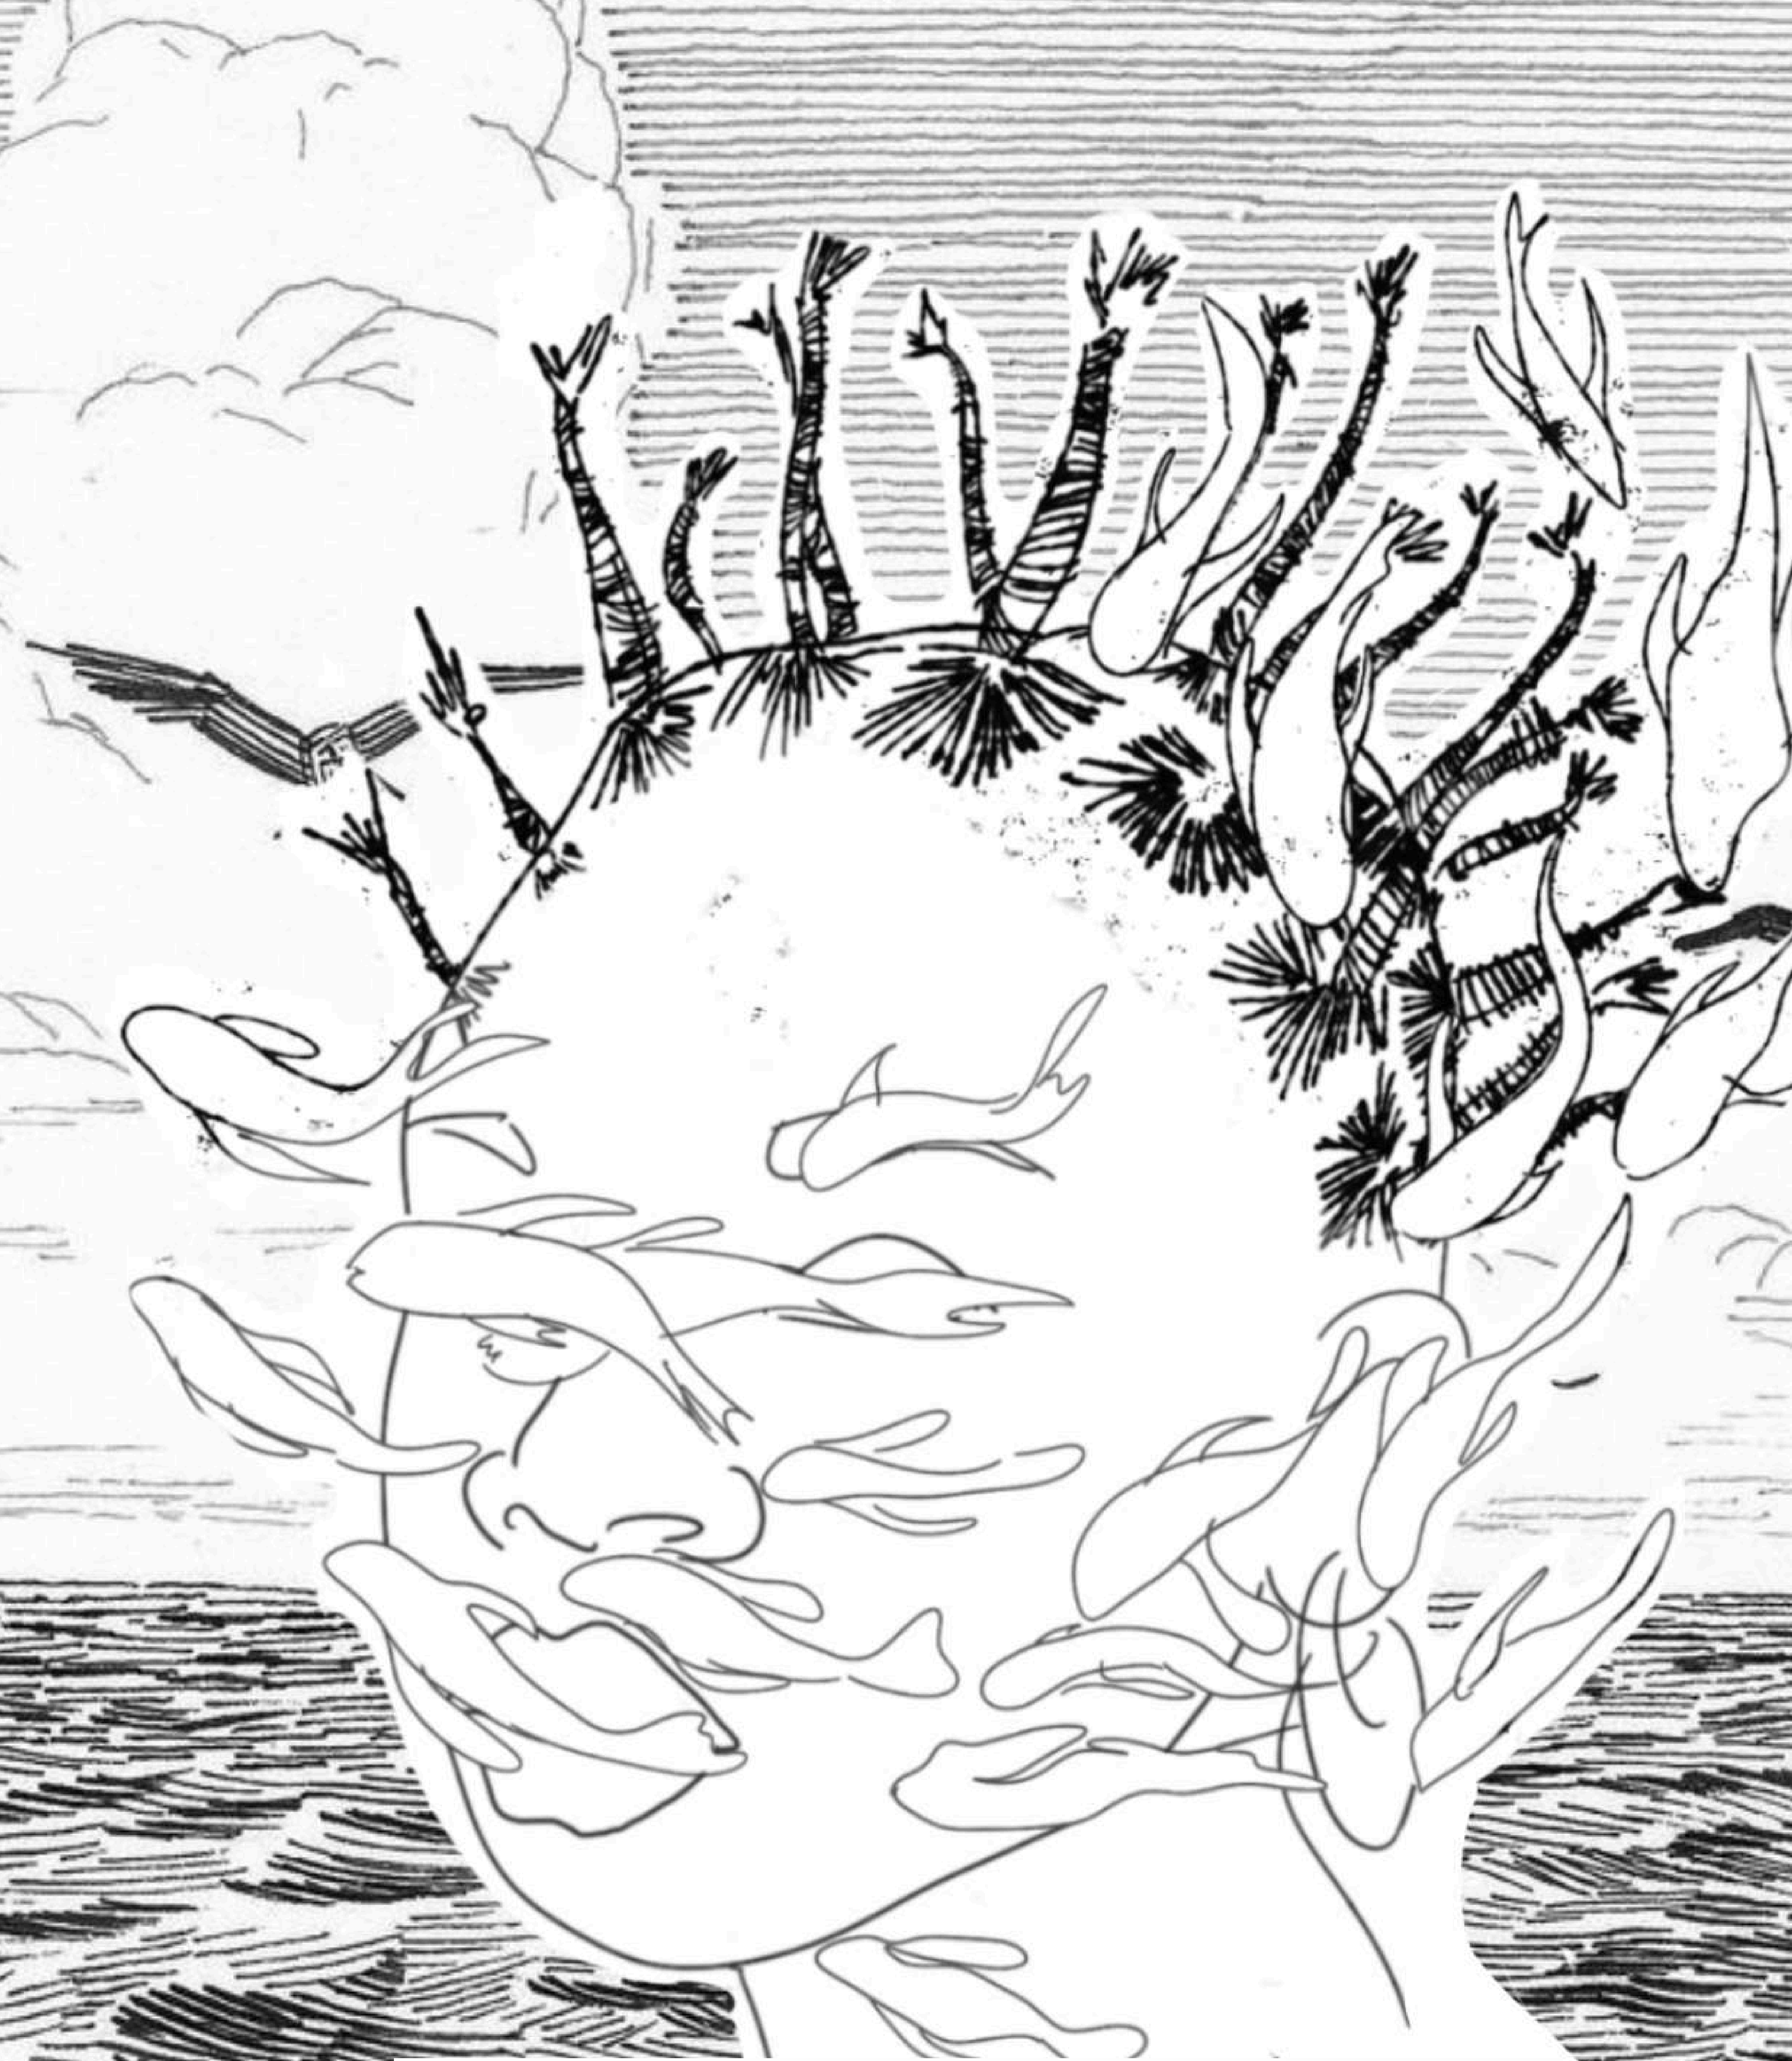

“to be rooted is perhaps
the most important and
least recognised need of
the human soul”

— Simone Weil

esosa, 2026

this migration
