

this is a set of visuals
explore the effects people have
on our lives
and on our souls

the narrative of this work
is a bout being touched and changed
by an experience

encounters can be
soft
colourful
and elevating

and also

brutal
painful
and bloody

when the experience ends
you are renewed
and better prepared
to carry on your own path

I WAS TOUCHED

IT GOT TO
MY HEART

IT MORPHED
THE
SHAPE OF
MY SOUL

AND I BEGAN
GROWING FANGS

WE STARTED FIGHTING
AND NEVER STOPPED
BLEEDING

I WILL LICK MY WOUNDS
AND HOPE THAT YOURS
BLEED FOREVER

NOW THAT
I'M AWAKENED,
NEW LIFE HAS BLOSSOMED

I'VE FOUND LOVE

AND I'VE FOUND HOME
